

**KYMOS**  
GROUP

## Your CRO for **Bioanalytical Services**

**Small Molecules**

**Glycosaminoglycans**

**Enzymes**

**Monoclonal Antibodies  
and ADC**

**Nucleic Acids**

**Viral Vectors**

Bioanalysis labs in Germany and Spain

**with +20 Years Experience**

**GLP**  
CERTIFIED

**GCP**  
COMPLIANT

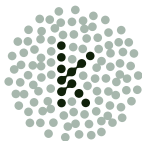

**EMA**  
INSPECTED

**FDA**  
INSPECTED

**ANVISA**  
INSPECTED

**KYMOS**  
GROUP

## **Clinical and Preclinical Bioanalysis Services**

One-stop-shop solutions with clinical and bioanalytical centers located in Europe

### **Bioanalysis of Biologicals**

- Preclinical and clinical studies
- PK quantification, immunogenicity, and ADA testing
- CBA for neutralizing mAbs
- PK and PD calculations and statistics
- Determination of enzyme activity

### **Bioanalysis of Biosimilars**

- Pre qualified methods for omalizumab, pembrolizumab, adalimumab and many others

### **Bioanalysis of Nucleic Acids**

- Real-Time qPCR for quantification of mRNA in biodistribution studies
- Hybridization ELISA and LC-MS/MS quantification of therapeutic nucleic acids

### **Bioanalysis of Biomarkers**

- Qualified methods for different pannels of neurology, serology, and oncology

### **Bioanalysis of Small Molecules**

- Small molecules by LC-MS/MS
- Organometallic drugs by ICP-MS
- Peptides
- Oligonucleotides

**GLP certified & GCP compliant. EMA and FDA inspected**
